TMNA Services Named One of the Best Places to Work in PA

Bala Cynwyd, PA, September 29, 2015 - TMNA Services, LLC (TMNAS) has been selected as one of the [2015 Best Places to Work in Pennsylvania](#). For the second consecutive year, TMNAS joins the list of 100 outstanding companies in Pennsylvania recognized by the Best Places to Work in PA program.

“This is an outstanding achievement to be recognized for the second time, in only four years of operation. The combination of our recent new hires with experienced staff from a core group of Tokio Marine companies provides energy and first-class professionalism,” shared Tokio Marine North America, Inc. & TMNAS President and CEO, Akira Harashima. “With a remarkable commitment to our “Good Company” guiding principles and values, TMNAS employees are a part of a team that does the right thing for our colleagues and customers, ensuring an enjoyable and safe workplace with a trustworthy workforce.”

The Best Places to Work in PA Program uses a survey evaluation program similar to the Fortune’s “100 Best Companies to Work for in America.” A survey is sent to both the employers and employees at several hundred companies across the state. Each company’s workplace policies, practices, philosophies, systems, and demographics are worth 25% of the total evaluation. The remaining 75% is based on an objective employee survey to measure the employee experience. All results and additional information can be found at www.bestplacestoworkinpa.com.
